WORK EXPERIENCE

Festival Foods

Chippewa Falls, WI

Deli & Food Court Team Member

June 2024 – Present

- Manage department-wide inventory and submit weekly replenishment orders, forecasting demand across five stations to limit stockouts and waste.
- Cross-trained on all five deli and food court stations — popcorn, pizza, Asian, hot bar, and service counter — covering production and customer service wherever staffing is thinnest.
- Cover coworkers' shifts and extra hours on short notice, building a reliability record supporting a current pursuit of a deli lead role.

PROJECTS

Systematic AGPU Trading Strategy | Personal Project

August 2026 – Present

- Designed a rules-based strategy separating core and tactical positions, defining entry thresholds, position sizing, average-cost tracking, profit/loss exits, and drawdown triggers.
- Built a Python backtest (pandas, yfinance) with AI-assisted coding, interpreting results and revising thresholds across iterations.
- Filled simulated trades at observed market prices rather than theoretical thresholds, using minute-level data to test execution assumptions.

Personal Investment Research & Portfolio Management

September 2025 – Present

- Built an Excel/Google Sheets tracker comparing individual mega-cap equity performance against the S&P 500 (SPY) to evaluate relative returns.
- Manage personal brokerage accounts, researching equities and ETFs through filings, market data, and charting platforms to weigh risk and allocation.

LEADERSHIP & EXTRACURRICULARS

Finance & Investment Challenge Bowl (FICB)

Cadott, WI

Team Captain

2024 – 2026 Seasons

- Led a three-person team to a first-place regional finish, advancing to the Wisconsin state competition.
- Directed team preparation across personal finance, investments, economics, and risk management.

Future Business Leaders of America (FBLA) | Member

Cadott, WI | 2024 – 2026

- Placed 5th in Insurance & Risk Management at the Wisconsin State Leadership Conference, qualifying for the National Leadership Conference.
