EDUCATION

B.S. Actuarial Science · University of Wisconsin–Eau Claire

Expected May 2029

- Entered with 34 dual-enrollment college credits
- Dual-enrollment GPA 3.92
- Certificates: Advanced Business Communication, and Computer Programming

High School Diploma · Cadott High School

May 2026

- GPA 3.9+ unweighted, 4.25 weighted
- ACT: 36 on the mathematics section
- High honor roll every semester

EXPERIENCE

Accounting Tutor · Peer tutoring

High school

- Tutored high-school accounting: the accounting equation, journal entries, trial balances and the three financial statements.

Deli & Food Court Team Member · Festival Foods

June 2024 – Present

- Help forecast weekly product demand and place replenishment orders for the department — judging how much of an item will sell against how much will be thrown away. Inventory, not finance, but the trade-off is the same one.

LEADERSHIP & AWARDS

Team Captain · Finance & Investment Challenge Bowl

2026

- Led a three-person team to first place at regionals, qualifying for the Wisconsin state competition.

Co-Founder & President · Cadott High School Debate Club

2025 – 2026

- Co-founded the school's debate club, then was elected president of it.

Co-Founder · Cadott High School Math Club

2023 – 2026

- Started the school's math club with my brother and a few friends, and built its first membership.

House of Representatives Liaison · Badger Boys State

Summer 2025

- Appointed liaison to the House of Representatives at Wisconsin's American Legion programme in government, where delegates build and run a mock state government over a week.

State Solo & Ensemble Performer · WSMA

2023 – 2026

- Qualified for the state festival seven times across high school: twice as a soloist, twice with the jazz ensemble, and three times in a small group (duet or trio).

National Qualifier · Future Business Leaders of America

2026

- Placed 5th in Insurance & Risk Management at the Wisconsin State Leadership Conference, qualifying for the National Leadership Conference.

Web Redesign (pro bono) · Cadott Community Association

2025 – 2026

- Rebuilt a local volunteerism organisation's website as a Programming Club project — unpaid, for a group that had no budget for it.

SKILLS

ANALYSIS Investment & equity research, Backtesting & simulation design, Inventory forecasting, Google Sheets

TECHNICAL Python — pandas, yfinance, Defining and testing what I build, Data cleaning, Excel (basic, improving)

OTHER Customer service, Typing 100–110 WPM

On the technical work: I design the system, decide what it has to prove and write the tests that try to break it. Much of the Python itself I write with AI assistance - the 280+ automated checks are the part I stand behind.
